

Hi Boys and Girls,

I hope you are all well and enjoying your return to school.

Our Bible lesson this week is about "Choosing to Live God's Way" just like David did in the story of 1 Samuel: 24 by choosing not to hurt King Saul.

I would like to personalise our craft activity this week by providing you with a template (Him/Her) which indicates you.

Here are the instructions how you can prepare your activity which will serve as a reminder for you to Live Gods Way:

STEP 1: Colour the little cut-outs (Prayer, Bible reading, Forgiving others, Love & not Hating others). You may wish to use other words that help you Live God's Way. Decorate these with the fun glitter I have provided you as shown below.

STEP 2: Colour your template (Him/Her) with clothes that represents you. Be as colourful as you like.

STEP 3: Using the pins I have given you, attach the cut-out to each hand to help you remember *Choosing to Live God's Way*.

STEP 4: Remember to pray that our Lord Jesus will help & guide you every day to Live his way in the choices you make.

Love and regards, Alexa
